Please see the programme notes for further details and information on other events

Members are asked to report finds or records to the Secretary, who has a list of specialist consultant members who will be pleased to help with the identification of specimens.

Members are entitled to attend meetings of:

Yorkshire Naturalists' Union; and  
Tees Valley Wildlife Trust.

The Club is affiliated to these organisations.

This card should be carried on all excursions as, when special permission has been granted, production of the card may be required.

The following websites are of interest.
